Open Mic Starts

🕒 8pm

Lavender Lounge is a queer community-based coffee shop with open mic entertainment every night.

Together we strive to create a comfortable, relaxing, genuine, welcoming, and

safe place for everyone to come and be their true, uninhibited, selves. Here, we understand the need for safety, security, validation, creative outputs, good and affordable food and beverages, entertainment, community, and a sense of belonging. Come enjoy good coffee, food, friends, and self expression.
